The university admitted its first students in 1891, opening as a coeducational and non-denominational institution. It struggled financially after Leland died in 1893 and again after much of the campus was damaged by the 1906 San Francisco earthquake. Following World War II, university provost Frederick Terman inspired an entrepreneurial culture to build a self-sufficient local industry (later Silicon Valley). In 1951, Stanford Research... 235d0e3c83

History of Stanford University The 1906 San Francisco Earthquake damaged several buildings, and took the lives of two people on campus. The university persevered, in part due to the Stanford family donating the equivalent of over \$1 billion in 2010 dollars to the university. After Leland's death a lawsuit was pursued against his estate, and alongside the Panic of 1893 put Stanford's continued existence in jeopardy. In fall 2015, Poets & Quants, a blog that covers MBA programs around the world, made public a wrongful termination suit filed Stanford

A significant proportion of farmers around the world grow landrace crops, and most plant landraces are associated with traditional agricultural systems. Landraces of many crops have probably been grown for millennia. Increasing reliance upon modern plant cultivars that are bred to be uniform has led to a reduction in biodiversity, because most of the genetic diversity of domesticated plant species lies in landraces and other traditionally used varieties... 235d0e3c83 In the mid-20th century, Stanford became an important institution in the development of science in the United States.
