139439 6e11b76676 DIN stands for "Deutsches Institut für Normung", meaning  
"German institute for standardization". DIN standards that begin with "DIN V"  
("Vornorm", meaning "pre-standard") are the result of standardization work, but because  
of certain reservations on the content or because of the divergent compared to a  
standard installation procedure of DIN, they are not yet published standards.
