They Would Never Hurt a Fly begins with an introductory section explaining Drakulić's purpose in the book as well as her choice in characters. She explains that she would like to learn more about their personalities to justify how the Yugoslavian war arose. Drakulić describes the war as an unexpected tragedy that befell innocent civilians within the boundaries of Yugoslavia - specifically Bosnia. As the book begins to unravel descriptive profiles of different war criminals, Drakulić elucidates that these criminals were not complete monsters but ordinary people who committed crimes due to the circumstances they were in: "the war itself... 0700dc18c4

Historically, torture chambers were located in royal palaces, in castles of the nobility and even buildings belonging to the church. They featured secret trap-doors which could be activated to throw victims into dark dungeons where they remained and eventually died. The skeletal remains of people who disappeared were strewn on the floor of the hidden dungeons. Other times the dungeons under the trap-doors included pits of water where the victim was thrown to drown after a lengthy torture session in the chamber above. 0700dc18c4

Sophie's Choice (novel) However, Ira Nadel claims that the story is found in Arendt's The Origins of Totalitarianism. It concerns the relationships among three people sharing a boarding house in Brooklyn: Stingo, a young aspiring writer from the South; Jewish scientist Nathan Landau; and the latter's eponymous lover Sophie, a Polish-Catholic survivor of the German Nazi concentration camps, whom Stingo befriends. As the SA expanded, the rank of Ostubaf was created in May 1933 to provide a rank above Sturmbannführer; likewise, the Ostubaf was an SS rank. The Obersturmbannführer rank insignia was composed of four silver pips and a black stripe on a silver background, all elements are centered in the left wing of the collar of the tunic of an SS or of an SA uniform. The rank also was worn on the shoulder boards of an Oberstleutnant and was the highest rank in the SS and the SA to display SS unit insignia on the collar wing opposite the rank insignia.

She is also remembered for the controversy surrounding the trial of Adolf Eichmann, for her attempt to explain how ordinary people become actors in totalitarian systems, which was considered by some an apologia, and for the phrase "the banality of evil". Her name appears in the names of journals, schools, scholarly prizes, humanitarian prizes, think-tanks, and streets; appears on stamps and monuments; and is attached to other cultural and institutional markers that commemorate her thought. 0700dc18c4 His brother was the historian, Mordechai Breuer.
