Learning disability In the United Kingdom, the term learning disability generally refers to an intellectual disability, while conditions such as dyslexia and dyspraxia are usually referred to as learning difficulties. Given the "difficulty learning in a typical manner", this does not exclude the ability to learn in a different manner. Therefore, some people can be more accurately described as having a "learning difference", thus avoiding any misconception of being disabled with a possible lack of an ability to learn and possible negative stereotyping. Depending on the type and severity of the disability, interventions, and current technologies may be used to help the individual Learning disability, learning disorder, or learning difficulty (British English) is a condition in the brain that causes difficulties comprehending or processing information and can be caused by several different factors. throughout the lifespan 02d76253b1

LGBT rights in Iran have come in conflict with the penal code since the 1930s. In post-revolutionary Iran, any type of sexual activity outside a heterosexual marriage is forbidden. Same-sex sexual activities are punishable by imprisonment, corporal punishment, fines, or execution. Gay men have faced stricter enforcement actions under the law than lesbians. 02d76253b1

Feminism Feminism holds the position that modern societies are patriarchal—they prioritize the male point of view—and that women are treated unjustly in these societies. Many scholars consider feminist Feminism is a range of socio-political movements and ideologies that aim to define and establish the political, economic, personal, and social equality of the sexes. Efforts to change this include fighting against gender stereotypes and improving educational, professional, and interpersonal opportunities and outcomes for women. Changes in female dress standards and acceptable physical activities for women have also been part of feminist movements 02d76253b1
