

Academic Word List With Definitions

Definition of terrorism Schmid in 1992, based on the already internationally accepted definition of war crimes, as "peacetime equivalents of war crimes", was not accepted. Scholars have worked on creating various academic definitions, There is no legal or scientific consensus on the definition of terrorism. Various legal systems and government agencies use different definitions of terrorism, and governments have been reluctant to formulate an agreed-upon legally-binding definition. definition of war crimes, as "peacetime equivalents of war crimes", was not accepted. A simple definition proposed to the United Nations Commission on Crime Prevention and Criminal Justice (CCPCJ) by terrorism studies scholar Alex P. Difficulties arise from the fact that the term has become politically and emotionally charged

Definitions of pogrom The events in Odessa during Holy Week in 1871 were the first to be widely called a "pogrom" in Russian, and the events of 1881–82 introduced the term into common usage throughout the world. The term originated as a loanword from the Russian verb громить (Russian pronunciation: [grɐˈmʲitʲ]), meaning "to destroy, to wreak havoc, to demolish violently". This article provides a list of definitions of the term pogrom. The term originated as a loanword from the Russian verb громить (Russian pronunciation: This article provides a list of definitions of the term pogrom

Genocide definitions The word is a compound of the ancient Greek word γένος (génos, 'genus', or 'kind') and the Latin word caedō ("kill"). The word is a compound Genocide definitions include many scholarly and international legal definitions of genocide, a word coined by Raphael Lemkin in 1944. While there are various definitions of the term, almost all international bodies of law officially adjudicate the crime of genocide pursuant to the Convention on the Prevention and Punishment of the Crime of Genocide (CPPCG). Genocide definitions include many scholarly and international legal definitions of genocide, a word coined by Raphael Lemkin in 1944

Academic freedom and a student has a right to learn in an academic setting unhampered by outside interference. Other definitions include the right of teachers to engage Academic freedom is the right of a teacher to instruct and the right of a student to learn in an academic setting unhampered by outside interference. It may also include the right of academics to engage in social and political criticism

This and other definitions are generally regarded by the majority of genocide scholars to have an "intent to destroy" as a requirement for any act to be labelled genocide; there is also growing agreement on the inclusion of the physical destruction criterion. Writing in 1998, Kurt Jonassohn and Karin Björnson stated that...

Academic discipline It is also known as a field of study, field of inquiry, research field and branch of knowledge. Disciplines are An academic discipline or academic field is a subdivision of knowledge that is taught and researched at the college or university level. The social sciences are

sometimes considered a fourth category. Disciplines are defined (in part) and recognized by the academic journals in which research is published, and the learned societies and academic departments or faculties within colleges and universities to which their practitioners belong. Academic disciplines are conventionally divided into the humanities (including philosophy, language, art and cultural studies), the scientific disciplines (such as physics, chemistry, and biology); and the formal sciences like mathematics and computer science. The. An academic discipline or academic field is a subdivision of knowledge that is taught and researched at the college or university level 79500e9f8e

IHRA definition of antisemitism Accompanying the working definition are 11 illustrative examples, seven of which relate to criticism of Israel, that the IHRA describes as guiding its work on antisemitism. It is also known as the IHRA working definition of antisemitism (IHRA-WDA). 2. 0249. 5. 13169/islastudj. It was first published in 2005 by the European Monitoring Centre on Racism and Xenophobia (EUMC), a European Union agency. ISSN 2325-8381. The definitions of anti-Semitism prevalent in most policy definitions, as well as on a German policy level or within The IHRA definition of antisemitism is the "non-legally binding working definition of antisemitism" that was adopted by the International Holocaust Remembrance Alliance (IHRA) in 2016 79500e9f8e

The working definition was developed during 2003–2004, and was published without formal review by the EUMC on 28 January 2005. The EUMC's successor agency, the Fundamental Rights Agency (FRA), removed the working definition from its website in... 79500e9f8e Numerous definitions of the term have been proposed by scholars and dictionary publishers, but use of the term is inconsistent. Research into pogroms frequently requires consideration of the precise meaning of the word. Werner Bergmann writes that "there is as yet no consensus on terminology here among researchers", that "there has as yet been little interlinked research into pogroms... 79500e9f8e

Definitions of science fiction This is a list of definitions that have been offered by authors, editors, critics and fans over the years since science fiction became a genre. Definitions of There have been many attempts at defining science fiction. Definitions of related terms such as "science fantasy", "speculative fiction", and "fabulation" are included where they are intended as definitions of aspects of science fiction or because they illuminate related definitions—see e. Some definitions of sub-types of science fiction are included, too; for example see David Ketterer's definition of "philosophically-oriented science fiction". Robert Scholes's definitions of "fabulation" and "structural fabulation" below. g. a list of definitions that have been offered by authors, editors, critics and fans over the years since science fiction became a genre. In addition, some definitions are included that define, for example, a science fiction story, rather than science fiction 79500e9f8e

Scholars have worked on creating various academic definitions, reaching a consensus definition published by Schmid and A. J. Jongman in 1988, with a longer revised... 79500e9f8e

Vocabulary It forms an essential component of language and communication, helping convey thoughts, ideas, emotions, and information. common and basic words. Vocabulary can be oral, written, or signed and can be categorized into two main types: active vocabulary (words one uses regularly) and passive vocabulary (words one recognizes but does not use often). As a result, word definitions in such

dictionaries can be understood even by learners with a limited vocabulary. The word vocabulary originated from the Latin vocabulum, meaning "a word, name". Some publishers A vocabulary (also known as a lexicon) is a set of words, typically the set in a language or the set known to an individual. Furthermore, vocabulary is a significant focus of study. An individual's vocabulary continually evolves through various methods, including direct instruction, independent reading, and natural language exposure, but it can also shrink due to forgetting, trauma, or disease

Academic freedom is often premised on the conviction that freedom of inquiry by faculty members is essential to the mission of the academy as well as the principles of academia, and that scholars should have freedom to teach or communicate ideas or facts (including those that are inconvenient to external political groups or to authorities) without the fear of being repressed, losing their job or being imprisoned. While the core of academic freedom covers scholars acting in an academic capacity (as teachers or researchers expressing strictly scholarly viewpoints...

Definitions of education But there are deep disagreements about its exact nature and characteristics. The failure of such attempts, often in the form of being unable to account for various counter examples, has led many theorists to adopt less precise conceptions. A great variety of definitions has been proposed. Others understand it not as a process but as the product of such processes, i. A great variety of definitions has been proposed. Definitions of education aim to describe the essential features of education. e. There is wide agreement Definitions of education aim to describe the essential features of education. Various attempts have been made to give precise definitions listing its necessary and sufficient conditions. as what characterizes educated persons. There is wide agreement that education involves, among other things, the transmission of knowledge. Some definitions see education as a process exemplified in events like schooling, teaching, and learning

Academic Games More complete definitions of the individual techniques can be found on agloa. in which players win by out-thinking each other in mathematics, language arts, and social studies. C, D, and E. Here are all the Propaganda techniques, listed by section. Formal tournaments are organized by local leagues, and on a national level by the Academic Games Leagues of America (AGLOA). Member leagues in eight states hold a national tournament every year, in which players in four divisions compete in eight different games covering math, English, and history. org Academic Games is a competition in the U. Some turn-based games require a kit consisting of a board and playing cubes, while other games have a central reader announcing questions or clues and each player answering individually. S
