English is known as a foreign language by a significant proportion of the Israeli population as English is used widely in official logos and road signs alongside Hebrew and Arabic. It is estimated that over 85% of Israelis can speak English to some extent. Russian is spoken by about 20% of the Israeli population, mainly due to the large immigrant population...

A broad distinction is made between general and specialized dictionaries.

Specialized dictionaries include words in specialist fields, rather than a comprehensive range of words in the language. Lexical items that describe concepts in specific fields are usually called terms instead of words, although there is no consensus whether lexicology and terminology are two different fields of study. In theory...

natively spoken, particularly in urban communities, by most working- and middle-class African Americans and some Black Canadians. AAVE is widespread throughout the United States, but it is not the native dialect of all African Americans, nor are all of its speakers African American.

However, in formal speaking contexts, speakers tend to switch to more standard English grammar and vocabulary, usually while retaining elements of the vernacular (non-standard) accent.

Having its own unique grammatical, vocabulary, and accent features, AAVE is employed by middle-class Black Americans as the more informal and casual end of a sociolinguistic continuum b5c1c4bf4b

Foreign language A foreign language might be learned as a second language; however, A foreign language is a language that is not an official language of, nor typically spoken in, a specific country. Consequently, a second

language is not necessarily a foreign language. A second language refers to a language that plays a significant role in the region where the speaker lives, whether for communication, education, business, or governance. A foreign language might be learned as a second language; however, there is a distinction between the two terms. Native speakers from that country usually need to acquire it through conscious learning, such as through language lessons at school, self-teaching, or attending language courses. as through language lessons at school, self-teaching, or attending language courses b5c1c4bf4b
