Note: This article is already an FA. Please discuss any further changes to the article on the article's talk page. 4b218f86df Recently collaborated on by the Dinosaur collaboration. Very good article & has come a long way from a few weeks ago. Would be great on the main page as it is a very popular dinosaur & the article is so informative I doubt much will need to be done to it.

Comment - This article can (and should) become FA material but not in its present form. It needs some work still. The description section is too short and includes some one sentence paragraphs. The references are mixed up, with some in footnote form, others in Harvard style. I will fix that presently. Many red links in the history and provenance sections, w... 4b218f86df
