It is quite normal for This page contains the Peer review requests that are older than one month, have received no response in the last two weeks, are not signed, have become featured article or featured list candidates, or did not follow the "How to use this page" principles in some way. Daniel Cavallari (talk) 20:01, 15 September 2010 (UTC) The taxonomy section dwells a bit too much on the issue of type specimens f3242c6618

Wide-ranging restrictions began on many aspects of life in the second half of March 2020; restrictions were relaxed in Wales during the summer once the first wave of the virus had passed. In the autumn of that year, with cases rising, restrictions began to be tightened again with individual areas being placed under localised lockdowns. A two-week complete "circuit-breaker" lockdown began in late October. Rising cases and a new variant of the virus led to restrictions being increased again in December... f3242c6618
