Early traditional blues verses consisted of a single line repeated four times. It was only in the first decades of the 20th century that the most common current structure became standard: the AAB pattern, consisting of a line sung over the four first bars, its repetition over the next four, and then a longer concluding line over the last bars. Early blues frequently... 35521ce8b9

Blues "The Soul of Blind Willie Johnson". Blues shuffles or walking bass reinforce the trance-like rhythm and form a repetitive effect known as the groove. Michael. "What Blues is a music genre and musical form that originated among African Americans in the Deep South of the United States around the 1860s. Blue notes (or "worried notes"), usually thirds, fifths or sevenths flattened in pitch, are also an essential part of the sound. Blues has incorporated spirituals, work songs, field hollers, shouts, chants, and rhymed simple narrative ballads from the African-American culture. Austin American-Statesman. Retrieved February 3, 2009. The blues form is ubiquitous in jazz, rhythm and blues, and rock and roll, and is characterized by the call-and-response pattern, the blues scale, and specific chord progressions, of which the twelve-bar blues is the most common. Gargoyles in the series are particularly notable for entering a sort of stone hibernation, called "stone sleep", during the day, when they resemble Gothic statues. In this state they can quickly heal from injury and illness and are protected from most natural threats. However, this leaves them vulnerable to attack and death: if a gargoyle is destroyed during their hibernation such as by being shattered to pieces, their body will remain stone and they will never wake up again. 35521ce8b9 In the Gargoyles universe, several clans of gargoyles exist worldwide, each with distinct cultural and morphological characteristics. The clans are similar in that they each have a particular item, area, or concept that they strive to protect. Gargoyles are fierce warriors and incredibly powerful and resilient. Their appearance (most are large with wings and claws) and ferocity often mean that humans vilify them as demons and monsters. Most gargoyles do not peacefully co-exist with humans. 35521ce8b9 A subgroup of gargoyles are gargoyle beasts, who are typically quadrupedal and behave... 35521ce8b9
