Scout training is character development to help Scouts become independent and helpful, and thereby become "healthy, happy, helpful citizens". The Scout method uses appealing activities in the outdoors with a simplified social structure to generate challenges from which Scouts learn. Through the training, Scouts are taught independence, leadership, the ambition to learn by themselves and a moral code with positive goals. The Scout method works by following the natural impulses of the Scout and unconsciously because the Scout is not aware of the education. Activities and games provide a fun way to develop skills and, when conducted outdoors, provide contact... a724374f83 There are separate advancement and
