History of the potato Moreover, this long shelf life allowed it to be the staple food for the Inca armies due to how well it maintained its flavor and longevity. The potato has since spread around the world and has become a staple crop in most countries. The Spanish The potato was the first domesticated root vegetable in the region of modern-day southern Peru and extreme northwestern Bolivia between 8000 and 5000 BC. The earliest archaeologically verified potato tuber remains have been found at the coastal site of Ancón (central Peru), dating to 2500 BC. Aside from actual remains, the potato is also found in the Peruvian archaeological record as a design influence of ceramic pottery, often in the shape of vessels. Cultivation of potatoes in South America may go back 10,000 years, but tubers do not preserve well in the archaeological record, making identification difficult ab758a30d4

Chinese Democracy The album's development spanned over a decade, becoming one of the most protracted and expensive recording processes in rock history, with reported costs exceeding \$13 million. Borscht derives from an ancient soup originally cooked from pickled stems, leaves and umbels of common hogweed (Heracleum sphondylium), an herbaceous plant growing in damp meadows, which lent the dish its Slavic name. With time, it evolved into a diverse array of tart soups, among which the Ukrainian beet-based red borscht has become the most popular. It is typically made by combining meat or bone stock with sautéed vegetables, which—as well as beetroots—usually include cabbage, carrots, onions, potatoes, and tomatoes. Depending on the recipe, borscht may include meat or fish, or be purely vegetarian; it may be served either hot or... ab758a30d4
