Comprehensive school government with company contributions and emphasise teaching science and technology. English secondary schools are mostly comprehensive (i. no entry exam) A comprehensive school is a secondary school for pupils aged 11–16 or 11–18, that does not select its intake on the basis of academic achievement or aptitude, in contrast to a selective school system where admission is restricted on the basis of selection criteria, usually academic performance. The term is commonly used in relation to England and Wales, where comprehensive schools were introduced as state schools on an experimental basis in the 1940s and became more widespread from 1965. e 2b01e3e722

About 90% of English secondary school pupils attend such schools (academy schools, community schools, faith schools, foundation schools, free schools, studio schools, university technical colleges, state boarding schools, City Technology Colleges, etc). Specialist schools may however select up to 10% of their... 2b01e3e722

State school Government-funded education spans from primary to secondary levels, covering ages 4 to 18. The name for a A state school, public school, or government school is a primary or secondary school that educates all students without

charge. State-funded schools are global with each country showcasing distinct structures and curricula. provides for some flexibility in the syllabus, so that subjects such as religious education can be taught. Alternatives to this system include homeschooling, private schools, charter schools, and other educational options. Most school students wear uniforms. School Today most schools follow the missionary school model for tutoring A school is the educational institution (and, in the case of in-person learning, the building) designed to provide learning environments for the teaching of students, usually under the direction of teachers. Most countries have systems of formal education, which is sometimes compulsory. The names for these schools vary by country (discussed in the Regional terms section below) but generally include primary school for young children and secondary school for teenagers who have completed primary education. An institution where higher education is taught is commonly called a university college or university. The syllabus and calendar they followed became the benchmark for schools in modern India. In these systems, students progress through

a series of schools that can be built and operated by both government and private organization 2b01e3e722

Now the school functions as a part of the activities spearheaded by the Sisters of the St:Mary's Convent under the banner of St.Mary's Charitable Trust. 2b01e3e722 In addition to these core schools, students in a... 2b01e3e722
