First-party accessories include the GameCube controller, the WaveBird Wireless Controller, audio/video cables, memory cards, link cables, network adapters, the Game Boy Player, a microphone, development tools, and carrying cases. Third-party companies such as Dattel and Mad Catz produced their own versions of some first-party devices along with specialized accessories of their own. 36220642ce Among Us takes place in space-themed settings where players are colorful, armless cartoon astronauts. Each player takes on one of two roles: most are Crewmates, but a small number are Impostors. Crewmates work to complete assigned tasks in the game while identifying and voting out suspected Impostors (who appear identical to Crewmates) using social deduction, while Impostors have the objective of killing the Crewmates. The game was inspired by the party game Mafia and the science fiction horror film The Thing. 36220642ce == Japanese role-
