Education ISBN 978-1-4522-6597-1. Non-Western Educational Traditions: Education is the transmission of knowledge and skills and the development of character traits. Formal education occurs within a structured institutional framework, such as public schools, following a curriculum. Other classifications focus on teaching methods, such as teacher-centered and student-centered education, and on subjects, such as science education, language education, and physical education. Non-formal education also follows a structured approach but occurs outside the formal schooling system, while informal education involves unstructured learning through daily experiences. Sage. Formal and non-formal education are categorized into levels, including early childhood education, primary education, secondary education, and tertiary education. Retrieved 3 May 2023. Reagan, Timothy (2005). Additionally, the term "education" can denote. and Cultural Foundations of Education 0d2be902fd
