 Copperfield is also a partially
 autobiographical novel: "a very
 complicated weaving of truth and
 invention", with events following
 Dickens's own life. Of the books he
 wrote, it was his favourite. Called "the
 triumph of the art of Dickens", it marks a
 turning point in his work, separating the
 novels of youth and those of maturity.

Confidence becomes tied up in expectations that they will succeed by both parents and teachers and who claim others perceive them as excelling academically more Confidence is the feeling of belief or trust that a person or thing is reliable. Self-confidence is trust in oneself. Self-confidence involves a positive belief that one can generally accomplish what one wishes to do in the future. Self-confidence is not the same as self-esteem, which is an evaluation of one's worth. Confidence can be a self-fulfilling prophecy, as those without it may fail because they lack it, and those with it may succeed because they have it rather than because of an innate ability or skill. Self-confidence is related to self-efficacy—belief in one's ability to accomplish a specific task or goal

David Copperfield As such, it is typically categorized in the bildungsroman genre. With considerable moral support from Agnes and his own great diligence and hard work, David David Copperfield is a novel by English author Charles Dickens, narrated by the eponymous David Copperfield, detailing his adventures in his journey from infancy to maturity.

upon completion reporting
parliamentary debate for a newspaper. It
was published as a serial in 1849 and
1850 and then as a book in 1850

Uttam Kumar Uttam Kumar has both of them Arun Kumar Chattopadhyay (Bengali pronunciation: [uʈːɔm kumar]; 3 September 1926 – 24 July 1980), known professionally as Uttam Kumar, was an Indian actor, director, producer, screenwriter, composer and playback singer who predominantly worked in Bengali cinema. His great attribute is his diligence. His accolades include five National Awards and four Filmfare Awards. Widely regarded as one of the greatest and most successful actors in the history of Indian cinema, Kumar dominated Bengali cinema from the 1950s throughout the 1970s, being referred to as "Mahanayak" (Bengali for "The Great Hero"). Many are born with

talent, but the talent gets eclipsed due
to the lack of diligence 8f77f58c72

Signpost/Single/2017-07-15 WikiProject
Military history has also really benefited
from having formal Single-page
EditionWP:POST/115 July 2017. review
the work at GAN and FA, something that
WikiProject Military history excels at
