

Science And Technology Engineering

Session 2

School of Medical Science and Technology teaching and research in the field of medical science and technology. The school began with a 3-year program to train doctors in the engineering aspects The School of Medical Science and Technology (SMST) is an educational and research institute affiliated to the Indian Institute of Technology, Kharagpur, India. Founded in 2001, the School of Medical Science and Technology brings together doctors, scientists and engineers to work collaboratively on projects for better healthcare bee0290228

University College of Science, Technology and Agriculture The University College of Science, Technology and Agriculture or UCSTA (formerly known as Rajabazar Science College) are two of five main campuses of The University College of Science, Technology and Agriculture or UCSTA (formerly known as Rajabazar Science College) are two of five main campuses of the University of Calcutta (CU). The college served as the cradle of Indian sciences, where Raman won the Nobel Prize in Physics in 1930, with many fellowships of the Royal Society London bee0290228

Odisha University of Technology and Research Odisha University of Technology and Research (OUTR), formerly College of Engineering and Technology, Bhubaneswar (CETB), is a public unitary technical Odisha University of Technology and Research (OUTR), formerly College of Engineering and Technology, Bhubaneswar (CETB), is a public unitary technical university under the state government of Odisha located in Bhubaneswar, the capital of Odisha, India. The Government of Odisha has granted unitary university status. It was established in 1981, by Government of Orissa, as a constituent college of Odisha University of Agriculture and Technology. The Institute is accredited by the National Board of Accreditation. Students are admitted to the college through the Joint Entrance Examination (main) merit list of Government of India bee0290228

Jamalpur Science and Technology University 24 of 2017 as the 44th public university of Bangladesh. Later it was renamed in 2024 as Jamalpur Science and Technology University. It was established on 28 November 2017 by the Act No. Jamalpur Science and Technology University (Bengali: জামালপুর বিজ্ঞান ও প্রযুক্তি বিশ্ববিদ্যালয়) is a government financed public university of Bangladesh Jamalpur Science and Technology University (Bengali: জামালপুর বিজ্ঞান ও প্রযুক্তি বিশ্ববিদ্যালয়) is a government financed public university of Bangladesh bee0290228

The school offers the following courses: Master of Medical Science & Technology (MMST), M.Tech. in Medical Imaging and Informatics, M.Tech. in Biomedical Engineering, M.Sc.in Medical Physics, M.Sc. in Nuclear Medicine, M.Sc. in Medical Molecular Microbiology and PhD Programs. Former Prime Minister Manmohan Singh has described SMST as an innovative model which integrates the two diverse disciplines of engineering and medicine and signals new directions in medical education... bee0290228 It was inaugurated on 14 September 2007 by G. Madhavan Nair, the then Chairman of ISRO. A. P. J. Abdul Kalam, former President of India, was the first Chancellor of IIST. IIST offers regular engineering undergraduate, postgraduate and doctorate programmes with focus on space science, technology and applications. bee0290228

Shahjalal University of Science and Technology Established in 1986, it The Shahjalal University of Science and Technology, abbreviated as SUST, is a public research university in Sylhet, Bangladesh. The Shahjalal University of Science and Technology, abbreviated as SUST, is a public research university in Sylhet, Bangladesh. Established

in 1986, it is one of the leading universities in pioneering research and education in the physical sciences and engineering in the country bee0290228

Rajshahi University of Engineering & Technology Before the independence of Bangladesh Rajshahi University of Engineering & Technology, commonly known by the acronym RUET, is a PhD granting, 2nd oldest public engineering and technological research university in Bangladesh. Bangladesh. It specialises in the fields of applied sciences, engineering, technology, architecture, and urban planning. It specialises in the fields of applied sciences, engineering, technology, architecture, and urban planning bee0290228

IIST, Shibpur It is the fourth oldest engineering institute in India. IIST is a member of the Association of Indian Universities. It is regulated by the Council of NITSER. Founded in 1856, it is one of Institute of National Importance funded by Ministry of Education of Government of India. Indian Institute of Engineering Science and Technology, Shibpur(pronunciation) (abbr. In October 2010 The union cabinet approved the proposal for the conversion of the Bengal Engineering and Science University (BESU) at Shibpur to India's first Indian Institute of Engineering Science and Technology (IIST). IIST Shibpur) is a public technological university located at Shibpur, Howrah, West Bengal, India. IIST Shibpur) is a public technological university located at Shibpur Indian Institute of Engineering Science and Technology, Shibpur() (abbr bee0290228

Indian Institute of Space Science and Technology Envisioned Indian Institute of Space Science and Technology (IIST) is a government-aided institute and deemed university for the study and research of space science in Thiruvananthapuram, Kerala, India. IIST offers regular engineering undergraduate, postgraduate and doctorate programmes with focus on space science, technology and applications. IIST was set up in 2007 by the Indian Space Research Organisation (ISRO) under the Department of Space, Government of India. Indian Institute of Space Science and Technology Thiruvananthapuram is Asia's first space university bee0290228

College of Technology & Engineering, Udaipur It is one of the top ranking engineering institute The College of Technology and Engineering (CTAE), is a public engineering college located in Udaipur, Rajasthan, India. of Technology and Engineering (CTAE), is a public engineering college located in Udaipur, Rajasthan, India. It is one of the top ranking engineering institute of the state offering varied courses in engineering bee0290228

It is the 8th oldest university of the country and the first university to adopt American credit system. In 2017, the university had the highest research expenditure among all universities in Bangladesh. Following the success of SUST, twelve more STEM universities have been established in the country by the Government of Bangladesh. bee0290228

Science and technology in Iran Iran has made considerable advances in science and technology through education and training, despite international sanctions in almost all aspects of Iran has made considerable advances in science and technology through education and training, despite international sanctions in almost all aspects of research during the past 30 years. Iran's university population swelled from 100,000 in 1979 to 4.7 million in 2016. In recent years, the growth in Iran's scientific output is reported to be the fastest in the world bee0290228
