Philosophy, politics and economics, or politics, philosophy and economics (PPE), is an interdisciplinary undergraduate or postgraduate degree which combines Philosophy, politics and economics, or politics, philosophy and economics (PPE), is an interdisciplinary undergraduate or postgraduate degree which combines study from three disciplines. The first institution to offer degrees in PPE was the University of Oxford in the 1920s 5205cbbe6c

It is useful to divide philosophy of economics in this way into three subject matters which can be regarded respectively as branches of action theory, ethics (or normative social and political philosophy), and philosophy of science. Economic theories of rationality, welfare, and social choice defend substantive philosophical theses often informed by relevant philosophical literature and of evident interest to those interested in action theory... 5205cbbe6c These degrees aim to provide students with a comprehensive understanding of economic theories, principles, and models, and their application in analyzing real-world economic issues. The program then encompasses a broad range of topics in the field of economics, including microeconomics, macroeconomics, econometrics, economic history, and international economics. 5205cbbe6c

Political Theory Project the university's Center for Philosophy, Politics and Economics. The center has since transitioned into the university's Center for Philosophy, Politics and Economics. The center's stated mission was to "investigate

the ideas and institutions that make societies The Political Theory Project (PTP) was an interdisciplinary research center at Brown University in Providence, Rhode Island 5205cbbe6c

The center's stated mission was to "investigate the ideas and institutions that make societies free, prosperous, and fair." From its establishment in 2003 until 2021, the Project was directed by founder John Tomasi. According to Tomasi, the PTP focuses "on the interplay of democratic and market-based ideals, with a commitment to examining issues from a variety of ideological perspectives." The Project is officially nonpartisan and maintains that it is not committed "to any particular ideological orientation." 5205cbbe6c
