The concept of truth is discussed and debated in various contexts, including philosophy, art, theology, law, and science. Most human activities depend upon the concept, where its nature as a concept is assumed rather than being a subject of discussion, including journalism and everyday life. Some philosophers view the concept of truth as basic, and unable to be explained in any terms that are more easily understood than the concept of truth itself. Most commonly, truth is viewed... c5922c50d5 Future of Wikinews (potential merger with Wikipedia) c5922c50d5 The author pseudepigraphically identifies himself in the corpus as "Dionysios",
