Series creator Stephen Hillenburg initially conceived the show in 1994, and began to work on it shortly after the cancellation of Rocko's Modern Life in 1996. To voice the character of SpongeBob, Hillenburg approached Tom Kenny, who had worked with him on Rocko's Modern Life. For the series pitch, Hillenburg originally wanted the idea of having SpongeBob and Squidward on a road trip, inspired by the 1989 film Powwow Highway. Hillenburg gave up the idea and started anew with the story he and Derek Drymon came up with "Help Wanted", based on an experience Hillenburg had in the Boy Scouts. The original idea would be used for the later episode "Pizza Delivery".
