

Training Programme Template

Graduate Teacher Programme The last academic year the programme ran was 2012/2013. To obtain a GTP place, a candidate must usually secure a training placement themselves at a school The Graduate Teacher Programme (GTP) was a programme in England and Wales for graduates who want to gain Qualified Teacher Status while working. The last academic year the programme ran was 2012/2013. A person must work in a school as an unqualified teacher in order to participate in the programme, which can last from three months to a year. The Department for Education announced in mid-2012 that The Graduate Teacher Programme will no longer exist, and has now been replaced with a new scheme called School Direct e0d4b823cd

Erasmus Programme It was created as the European Community Action Scheme for the Mobility of University Students, a European Union (EU) student exchange programme established in 1987. The Erasmus Programme is an educational programme named after

Erasmus, combining all the EU's current schemes for education, training, youth and sport The Erasmus Programme is an educational programme named after Erasmus, combining all the EU's current schemes for education, training, youth and sport

Lifelong Learning Programme 2007–2013 (‘Integrated programme’) was the European Union programme for education and training. The Lifelong Learning Programme 2007–2013 was established by Decision No The Lifelong Learning Programme 2007–2013 (previously referred to as the ‘Integrated action programme in the field of lifelong learning’ or the ‘Integrated programme’) was the European Union programme for education and training

The agency gives advice and support on professional education policy, programmes, and practice to governments, social partners, and training providers in countries ranging from Morocco to Kazakhstan and from Belarus to Jordan [link to list below]. Approximately 130 staff work at the ETF offices. They represent most EU member states and some of the non-EU partner countries. The countries

participating in the programme were the then 25 European Union countries, the then candidate countries Romania and Bulgaria; Iceland, Liechtenstein, Norway and Turkey. In addition to emergency food relief, WFP offers technical and development assistance, such as building capacity for emergency preparedness and response, managing supply chains and logistics, promoting social safety programs, and strengthening resilience against climate change. It is also a major provider of direct cash assistance, and provides passenger services for humanitarian workers...

Socrates programme This, in turn, was replaced by the Lifelong Learning Programme 2007–2013. The initial Socrates programme ran from 1994 until 31 December 1999 when it was replaced by the Socrates II programme on 24 January 2000, which ran until 2006. Grammar Explorer EUROPA – Education and Training – The Lifelong learning programme Archived 19 March 2013 at the Wayback Machine Main page The SOCRATES programme was an educational initiative of the European Commission; 31 countries took part. language resource

The ETF is based in Torino, Italy. It is primarily funded from the EU budget with an annual allocation (2023) of around €22.6M.

The programme is named after the Greek philosopher Socrates.

European Training Foundation eastern Europe in the 1990s. The TEMPUS programme would support higher education development, while the European Training Foundation would support technical The European Training Foundation (ETF) is the EU agency working to improve the skills and employability of people in partner countries outside the EU. The ETF does not itself train or qualify people. It helps countries and institutions outside the EU to develop skills

As a member of the United Nations Development Group, UNEP aims to help the world meet the 17 Sustainable Development...

United Nations Environment Programme Its mandate is to provide leadership, deliver science and develop solutions on a wide range of issues, including climate change, the management of marine and terrestrial ecosystems, and green economic development. The United Nations Environment

Programme (UNEP) is responsible for coordinating responses to environmental issues within the United Nations System. It was established by Maurice Strong, its first director, after the United Nations Conference on the Human Environment in Stockholm in June 1972. The organization also develops international environmental agreements; publishes and promotes environmental science and helps national governments achieve environmental targets. The United Nations Environment Programme (UNEP) is responsible for coordinating responses to environmental issues within the United Nations System

Military recruit training It is a physically and psychologically intensive process, which resocializes its subjects for the unique demands of military employment. Initial military training is an intensive residential programme commonly lasting several weeks or months, which aims Military recruit training, commonly known as basic training or boot camp, refers to the initial instruction of new military personnel

Compulsory leadership training for undergraduates content of this programme is

carefully designed by the experts on education and physical and psychological health. The Sri Lankan Higher Education Ministry sought the university academics' and vice chancellors' views on the ongoing leadership training program and decided to reduce it from three weeks to two weeks. The residential training is to be carried out. Compulsory leadership training for undergraduates in Sri Lanka is a mandatory program introduced in 2011 by the Sri Lankan Government for all students selected for undergraduate courses in state universities to undergo residential three-week leadership training and positive thinking development at training camps under the Defence Ministry which has led to much controversy.

Leonardo da Vinci programme The Leonardo da Vinci programme is a European Commission funding programme focused on the teaching and training needs of those involved in professional education. The Leonardo da Vinci programme is a European Commission funding programme focused on the teaching and training needs of those involved in professional education. The programme is part of the European Commission's Lifelong Learning Programme 2007-2013 and aims to

help the European labour market by helping European citizens acquire qualifications and have them recognised across borders
