**The Three Questions** The king decided that he needed to ask "The Three Questions" is a 1903 short story by Russian author Leo Tolstoy as part of the collection *What Men Live By, and Other Tales*. The story takes the form of a parable, and it concerns a king who wants to find the answers to what he considers the three most important questions in life. Many educated men attempted to answer the king's questions, but they all came up with different answers.
