Erskine May is considered to be the most authoritative and influential work on parliamentary procedure and the constitutional conventions affecting Parliament which form a major part of the uncodified UK constitution. It is not a rigid set of rules but a description of how the procedure evolved and of the conventions. Such is the authority of the text that it is regarded as analogous to part of the constitution itself. 265bab49c4 Contract law, the field of the law of obligations concerned with contracts, is based on the principle that agreements must be honoured.
