Pearson language tests The Pearson Test of English Academic assesses the ability of non-native English speakers to participate in a university-level English language instruction Pearson PLC offers various international standardized tests of English language proficiency for non-native English language speakers. These are scenario-based exams, accredited by the QCA and Ofqual, and are administered in association with Edexcel. The tests include the Pearson Test of English Academic (PTE Academic), the PTE General (formerly known as London Tests of English (LTE)), and PTE Young Learners

Students generally study for A-levels over a two-year period. For much of their history, A-levels have been examined by written exams taken at the end of these two years. A more modular approach to examination became common in many subjects starting in the late 1980s, and standard for September 2000 and later cohorts, with students taking their subjects to the half-credit "AS" level after one year and proceeding to full A-level the next year (sometimes in fewer subjects). In 2015, Ofqual decided to...

English as a second or foreign language Programs such as ESL are designed as academic courses to instruct non-native speakers in English proficiency, encompassing both learning in English-speaking nations and abroad. (Secondary Level Assessment Test of English) is designed for middle and high school-age students. PTE Academic (Pearson Test of English Academic), a Pearson product English as a second or foreign language refers to the use of English by individuals whose native language is different, commonly among students learning to speak and write English. Variably known as English as a foreign language (EFL), English as a second language (ESL), English for speakers of other languages (ESOL), English as an additional language (EAL), or English as a new language (ENL), these terms denote the study of English in environments where it is not the dominant language
