up a comprehensive list of words in English is important as a  
reference when learning a language as it will show the equivalent  
words you need to learn in the other language to achieve fluency.  
A big list will constantly show you what words you don't know and  
what you need to work on and is useful for testing yourself. You  
can use the list to generate your own lists in whatever language  
you're learning and to test yourself. Eventually these words will all

Almost three months later, on 11 January 2012, Denis Lawson was revealed as Bolam's replacement. On 18 August 2012, Redman announced she too would be leaving the

show. Just four days later, Armstrong also quit the show. Replacements for Redman and Armstrong... I once did the calculation for water with salt added to find out if that would make potatoes cook faster, and the result was something barely over 100 C (just a tenth of a degree or something). I assume sea water won't be much different, so my guess is something like 100.1 C.
