Education in India The approximate ratio of the total number of public schools to private schools in India is 10:3. Under various articles of the Indian Constitution and the Right of Children to Free and Compulsory Education Act, 2009, free and compulsory education is provided as a fundamental right to children aged 6 to 14. This means that either a primary school teacher is promoted to a higher grade, or a teacher is promoted to take up other Education in India is primarily managed by the state-run public education system, which falls under the command of the government at three levels: central, state and local. not an indicator of a good teacher 787471cf07

After her graduation from formal education, Weil became a teacher. She taught intermittently throughout the 1930s, taking several breaks because of poor health and in order to devote herself to political activism. She assisted in the trade union movement, taking the side of the anarchists known as the Durruti Column in the Spanish Civil War.
